TO REGULATE FILMS**

Republicans After Conference Determine to Put Through Clayton-Lusk Bill.

ALBANY, April 7 (United Press).—The Republican members of the Senate, in a four-hour conference, which lasted until early this morning, decided to pass the Clayton-Lusk Bill, which provides for State regulation of moving picture films.

The bill is to be amended so as to reduce the tax from \$2 to \$1 on old films reviewed, \$10 to \$5 on new films and from \$5 to \$2 on duplicate. Scientific, educational and religious films are to be freed from the tax.

**GOLD STAR MOTHERS
FAINT AT MEMORIAL**

Five Collapse at Ceremony for 1,222 War Dead Whose Bodies Are Brought Back.

Five women seated in the section reserved for Gold Star mothers collapsed yesterday afternoon at the memorial services held on the U. S. Army pier in Hoboken for 1,222 American soldiers who died overseas and whose bodies were brought back on the transport Cambria. The women had to be carried from the building.

Major Gen. John F. O'Ryan in his address said: "Could the lips of these boys speak to-day they would say: 'I was young, and oh, God, I wanted to live, but the country called me. The country needed me, and I went. I died. You, the living, must stand in my place now. You must battle on and make my dying worth while.'"

FULL-BLOODED PEOPLE ENJOY LIFE

If Your Blood Is Thin, Take Pepto-
Mangan. It Makes Rich
Red Blood

Just look around you and notice the kind of people who enjoy life. They are the full-blooded people. Sallow complexioned, dull-eyed people don't have much fun. How can they, with blood that is lacking in life-giving red corpuscles? It takes red blood to do good work, to enjoy life, to be congenial, to be somebody.

If you feel run down and out of sorts most of the time, if your complexion is bad, it is probably due to starved blood. When you get that way you need Pepto-Mangan. It will pick you up and put you in the class of people who step out and do things. With plenty of red corpuscles you enjoy the excitement of life. Whether you work or play you find yourself getting things done and taking real pleasure out of life. You stand on your two feet in good health.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. Comes in either liquid or tablet form. The medicinal properties are the same. Sold at all drug stores. But be sure you get the genuine Pepto-Mangan with the name "Gude's" on the package. Ask for it by the full name, "Gude's Pepto-Mangan."—Advt.
